Choose six courses (core and elective) and an additional two alternate electives per semester. Please include alternates for the semester LA Options or LA CIHS courses. You may **NOT** choose to be a TA at this time. Indicate your choices on your option worksheet by writing the course name in the grid at the top of the page. Remember that a year-long course is really two courses-one per semester. Use the lower grid for your alternate choices.

Once you have attended one of the Counseling Registration Workshops (2/27 & 2/28), go to www.surveymonkey.com/r/ZL6LWW5 and enter the **course names** of your choices online. This can be done at home or in the Roosevelt Library (before or after school, or during lunch when not in use by classes.) **If any courses you entered online require a signature, collect the signature(s) on your form and turn it in to the Registrar's office (rm 101C) by 3/9/17 after you've entered your choices online.** (No signatures needed? Then you keep your form.) Or, if you can't enter your courses online, please visit the Counseling Office before or after school between 3/6 – 3/9.

In Survey Monkey, you will enter alternates for LA in either question #3 or #4; an alternate for science can be entered in question #7. Enter alternates for electives from your lower grid in question #10.

Questions about Courses? Information tables will be in the Commons during both lunches on 2/27/17 thru 3/3/17.

Want help with Registration? Counseling is hosting lab time in room 110A before school (8:15 am – 8:45 am) and after school (3:15 pm – 3:45 pm). Dates: 3/6/17 thru 3/9/17.

Roosevelt High School

AP U.S. History Registration for 2017-2018

I have made the decision to take AP U.S. History next year and know it is an excellent college preparatory Social Studies class. I am also aware that this class involves high level analytical thought and research, includes a significant weekly workload, and progresses at a fast pace. I have discussed my decision with my AP Human Geography teacher, school counselor, and family, and am interested in taking on that challenge. In making this decision I have considered my overall course load for next year, including other AP courses, as well as extracurricular activities and other demands on my time.

I understand that the number of sections of both APUSH and regular U.S. History offered each school year is based on what students select during the registration process and that I need to finalize my commitment to take AP U.S. History during the spring registration process. I understand that at the beginning of the 2017-2018 school year it will not be possible for me to change my mind and switch into regular U.S. History. Nor will it be possible for me to transfer out of AP U.S. History and into regular U.S. History at the start of second semester next year.
