Roosevelt High School

AP Government Registration for 2018-2019

I have made the decision to take one of the year-long AP Government courses next year and know it is an excellent college preparatory Social Studies class. I am also aware that this class involves high level analytical thought and research, includes a significant weekly workload, and progresses at a fast pace. I have discussed my decision with my US History teacher, school counselor, and family, and am interested in taking on that challenge. In making this decision I have considered my overall course load for next year, including other AP courses, as well as extracurricular activities and other demands on my time.

I understand that the number of sections for both AP and regular Government courses offered each school year is based on what students select during the registration process and that I need to finalize my commitment to take AP Government during the spring registration process. I understand that at the beginning of the 2018-2019 school year it will not be possible for me to change my mind and switch into regular Government. Nor will it be possible for me to transfer out of an AP Government course at the start of second semester next year.

I am signing up for the following AP Social Studies course (please select one):

- AP Amer. Government (year-long)
- AP Comparative Gov. / AP Amer. Government (year-long)
