Required courses are already listed. You need six courses (core and elective) and an additional two alternate electives per semester. Indicate your choices (including Math) on your option worksheet by writing the course name in the grid at the top of the page. We recommend that you start your World Language requirement during your Freshman year. Remember that a year-long course is really two courses – one per semester. Use the lower grid for your alternate choices.

Registration Questionnaire

If you are coming to Roosevelt High School from a middle school outside of Seattle Public Schools, please fill out the questions below, as that will assist us in obtaining transcripts and other educational information from your previous school(s) if needed. School personnel will hold this information confidential.
