

College Fly-In Opportunities for Class of 2016

Haverford College Multicultural Scholars Experience October 25-27

Applications will be accepted until **September 14** and we encourage you to reach out to students who you feel are an appropriate academic and social fit for [Haverford](#). We have need-based travel scholarships available for participants who require financial assistance to attend MSE. Please visit the [MSE web page](#) for program information.

Oberlin College

As the first college in the country to adopt a policy to admit students regardless of race, Oberlin College has a deep commitment to access and inclusion. That's why we offer the Multicultural Visit Program. This **all-expenses-paid trip to campus** allows students to experience the vibrancy and diversity of a top liberal arts college that challenges convention, embraces difference, and encourages originality.

Program Information

High school seniors selected for the program will be hosted overnight by a current Oberlin student and will attend classes, visit with professors, participate in admissions and financial aid workshops, and get a firsthand view of campus life.

We encourage applications from students from diverse backgrounds such as American Indian or Alaska Native, Asian, Black or African-American, Hispanic/Latino(a), Native Hawaiian or Pacific Islander. We will also consider low income and/or first-generation to college students, regardless of cultural or racial background.

Students can apply to one of three visit weekends in the fall:

Program Date	Application Due
October 8-10	September 14
November 12-14	October 19
December 3-5	November 9

Please visit the [Multicultural Visit Program website](#) to learn more.

Thank you in advance for recommending this program to interested students. If you have any questions, please contact us at multicultural.admissions@oberlin.edu or 800-622-6243.
