WELCOME TO ROOSEVELT HIGH SCHOOL

Dear Parents/Guardians,

The staff and students of Roosevelt High School extend a warm welcome to our new 10th, 11th and 12th grade students for the 2017-2018 school year. We strongly recommend that parents/guardians have an active role in their student's high school education. We will do our best in return, to keep you informed about your student's academic progress and activities at Roosevelt.

Your student's first task as a new Roosevelt student is to register for fall classes. We have procedures in place to make this as efficient and easy as possible. Enclosed is a course option sheet, course list, and instructions. Course descriptions and graduation requirements are posted at www.roosevelths.seattleschools.org ("Services," "Counseling," "Incoming Students") along with electronic copies of the registration form and instructions. Please fill out the Course Option Worksheet, paying particular attention to Roosevelt's graduation requirements, and **mail the completed form to Roosevelt as soon as possible.**

Roosevelt counselors are happy to discuss your student's fall semester schedule with you. You can get in touch with your counselor by calling the Counseling Office, 206-252-4827. **We would also like you to make arrangements at your student's current school to have his or her transcript sent to Roosevelt as soon as possible.** In the fall, it would be a good idea for your student to make an appointment early in the semester to meet his or her counselor and to go over Roosevelt graduation requirements.

If your student is assigned to our ESL or Special Education department, you should contact the appropriate department head to arrange a consultation about appropriate scheduling. The ESL Department head, Ms. Pewitt, can be reached through the Main Office, 252-4810. The Special Education department head, Mr. Comstock, may be reached at 252-4954. (For Special Education students, it is essential for parents to schedule this intake conference in order to determine Special Education services).

You will received details over the summer about the beginning of school, but the following is tentative information we can share now. **Rough Rider Day will most likely occur on Tuesday, September 5th, 2017.** This optional event takes place the day before classes start and is an opportunity for all students to get official schedules, pay fees, have pictures taken, get ID cards, get lockers and to locate assigned classrooms. Rough Rider Day is not mandatory but attendance is highly encourage. **Likely, the first day of school will be Wednesday, September 6th, 2017 and we will have a new start time for next year: 8:35 am.**

Let us know. . .

If your family's plans change during the summer and your student will NOT be attending Roosevelt High School, we'll need to know that. Please go to www.seattleschools.org/admissions/registration and click on the "Not Attending Next Year" link. Please follow the instructions to remove your student's enrollment. In addition, you can send an email to our registrar at dtmiller@seattleschools.org, but this step is not required. Going through the District's enrollment website is required.

We are eager to get acquainted with you. Welcome to Roosevelt!
