

## Roosevelt High School

### 11th and 12th Grade AP Social Studies Agreement for 2023-2024

I have made the decision to take the AP Social Studies course next year and know it is an excellent college preparatory Social Studies class. I am also aware that this class involves high level analytical thought and research, includes a significant weekly workload, and progresses at a fast pace. I have discussed my decision with my current Social Studies teacher, school counselor, and family, and am interested in taking on that challenge. In making this decision I have considered my overall course load for next year, including other AP courses, as well as extracurricular activities and other demands on my time.

I understand that the number of sections of both the AP and regular Social Studies courses offered each school year is based on what students select during the registration process and that I need to finalize my commitment to take the AP Social Studies course during the spring registration process. I understand that during the 2022-2023 school year it will not be possible for me to change my mind and switch into the regular Social Studies class, either at the beginning of the year, nor at the start of second semester. If you decide to drop the 2nd semester of the course, there may not be an open seat in another course for you at Roosevelt. You will need to find a Running Start course OR you may face a missing credit and/or graduation requirement. For further communication, please discuss this with your School Counselor.

I am committing to taking the following AP Social Studies course that I have requested online during Course Registration. Please circle the course that you registered for below:

11th Grade AP US History (year-long)

12th Grade – AP US Govt & Politics (year-long)
